

GEL JOINTS – DECLARATION IP68

MOREK declares under our responsibility that the following GEL JOINTS are IP68 rated (standard EN 60529:1991 + A1) according to the following datasheet:

Model **BREAK 25**: depth 2 m

Model **BREAK 30**: depth 10 m

Model **BREAK 50**: depth 2 m

Model **BREAK 100**: depth 2 m

Model **BREAK 50Y**: depth 2 m

These models are suitable in areas where permanent ground water is present with depths indicated above. These values are valid when the installer adheres to the manufacturer's installation instructions at all times.
